

# Limo Paint

Name: \_\_\_\_\_

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

Design/materials description: \_\_\_\_\_

Materials cost estimate beyond paint: \_\_\_\_\_

☐ Artist agrees to be project lead during painting event at Left Hand Brewery TBA (Mid-September or October)

The Left Hand Brewery has asked us to paint the limo! This vehicle is a local celebrity and permanent fixture at the brewery. It is badly faded and in need of a facelift. Think colorful, local landmarks, Left Hand graphics, text and icons. 3D designs are encouraged. Maybe tell a Left Hand story. The back side of the limo (facing the wall) will be secondary and simple, as the car will be placed back in the same spot against the wall. The LHAG board of directors will choose 5 designs to present to the Left Hand Brewery team. The winning designer will be expected to lead the project and will be compensated with Left Hand product and beer. A painting event is being planned and will happen at Left Hand Brewery in mid-September or October TBA. This will be a community project with many people volunteering in the painting. The limo will be stripped and primed. Paint and some supplies will be provided. Please submit design ideas to [linda@lhagart.org](mailto:linda@lhagart.org) or drop off at Left Hand Brewery. Go to [lefthandartistgroup.org/limo-paint](http://lefthandartistgroup.org/limo-paint) to download this form and Left Hand Graphics. **Deadline for design ideas is August 31, 2025.**
